Mrs. Nhu Denied Entry to U.S.

PARIS, June 23 (AP)—Mrs. Ngo Dinh Nhu, the former First Lady of South Viet-Nam, has been refused a visa to visit the United States, the U.S. Embassy said today.

The State Department said it considered her ineligible under the terms of a section of the Immigration and Naturalization Act which disqualifies "aliens who the consular officer or the Attorney General knows or has reason to believe seeks to enter the United States solely, principally or incidentally to engage in activities which would be prejudicial to the public interest or endanger the welfare, safety or security of the United States."
